Ask me anything about Commercial Bank of Ethiopia's Chatbot powered by LLM.

withdrawal limit per day by ATM or Branches?

Answer: Thank you for asking! The daily withdrawal limit at an ATM (Automated Teller Machine) or branch of Commercial Bank of Ethiopia is typically 10,000 to 20,000 ETB per day, depending on your card type. However, please note that these limits may vary depending on your account type and other factors. If you need to check your specific limit or increase it, you can contact your branch or visit their website for more information.

Additionally, it's important to keep in mind that there may be limits on the amount of cash you can withdraw at an ATM, and some branches may have their own internal limits or requirements for large cash withdrawals. It's always a good idea to check with the bank directly for the most up-to-date and accurate information.

how to open account in CBE

Answer: Sure, I'd be happy to help! To open a bank account with Commercial Bank of Ethiopia (CBE), you can visit the nearest branch with the required documents. Here are the steps you can follow:

1. Gather the necessary documents: You will need to provide a valid ID, passport-sized photo, and proof of address. The exact documents may vary depending on the account type you're applying for, so it's best to check with CBE beforehand.
2. Visit the nearest branch: Find your nearest CBE branch and visit during business hours. You can use the bank's branch locator tool to find the nearest branch to your location.
3. Fill out the application form: Once you arrive at the branch, you will be given an application form to fill out. The form will require personal information such as your name, address, and contact details.
4. Submit the required documents: Attach the scanned copies of the documents you gathered earlier to the application form. Make sure all the documents are legible and clear.
5. Wait for approval: After submitting the application, the CBE staff will review your application and verify the information provided. This process may take a few minutes or hours, depending on the complexity of the application.
6. Receive your account details: Once your application is approved, you will receive an email or SMS with your account details, including your account number and login credentials. You can then use these details to log in to your online banking account or mobile app.

That's it! Opening a bank account with CBE is a straightforward process that can be completed at any of their branches. If you have any questions or concerns during the process, don't hesitate to ask the branch staff for assistance.
